

Consent for Water Baptism of a Minor Child

City Lights Church is committed to helping *every* person grow in their relationship with Jesus Christ. Baptism is an important step in that growth, even for children! “Jesus said, ‘Let the little children come to me, and do not hinder them...’” (Mat. 19:14). It is our desire to support children in their decision to come to Jesus, and to be water baptized in His name!

It is also our desire to *partner with parents* in equipping, empowering, and releasing children to exemplify the Kingdom of Heaven (Mat. 18:3). In keeping with that mission, we are asking that each child desiring to be baptized receives parental consent to do so.

By signing below, I give permission, and consent, for my child, named below, to be water baptized by City Lights Church.
